Your planets, in plain language

- Virgo lagna, Chitra pada 1: a precise, service-minded personality. You notice what others miss and you fix it before being asked.
- Sun in the 11th, Cancer: gains and recognition through care, institutions and elder networks. Ambition expressed as usefulness.
- Moon in the 7th, Pisces: a deeply feeling, intuitive partner-facing nature. Relationships are the mirror you grow in.
- Mars in the lagna, Virgo: courage with method. Energy goes into craft, systems and health routines.
- Mercury in the 12th, Leo: the 10th lord behind the scenes. Work with foreign links, research, or institutions; quiet mastery over noise.
- Jupiter in the 3rd, Scorpio: initiative, courage in communication, skill with the hands and with depth subjects.
- Venus in the 11th, Cancer (combust): wealth through relationships and counsel; the combustion asks for discretion in partnerships.
- Saturn in the 6th, Aquarius (own sign, retrograde): a fortress against competition, debt and disease. Service and systems are strengths.
- Rahu in the 2nd, Libra: unconventional speech and earning; Ketu in the 8th, Aries: detachment from other people’s drama, interest in the hidden.

Chara Karakas

चर कारक

The chara karakas rank the seven planets by exact degree, from highest to lowest, and each planet takes a role in the chart. Rahu and Ketu are not counted in this seven-karaka scheme.

Atmakaraka	**Saturn, 29.70 deg, the soul significator**
Amatyakaraka	**Sun, 28.12 deg, career and counsel**
Bhratrukaraka	**Venus, 26.52 deg, siblings and allies**
Matrukaraka	**Moon, 24.93 deg, the mother and emotional roots**
Putrakaraka	**Jupiter, 21.97 deg, children and creative fire**
Gnatikaraka	**Mars, 21.32 deg, rivals and relations**
Darakaraka	**Mercury, 15.27 deg, the spouse and partnership**

In the full analysis, each karaka is read in its house and sign, with its strength, dignity and dasha sequence.

Karakamsha: the soul’s sign

कारकांश

In Jaimini astrology the Atmakaraka is the planet of the highest degree, the significator of the soul. The sign it occupies in the navamsha is the Karakamsha: the sign the soul leans toward, showing the native’s deepest desire and the flavor of the inner life.

Your Atmakaraka is Saturn at 29.70 degrees, and Saturn’s navamsha falls in Gemini, so your Karakamsha is Gemini. A Gemini Karakamsha turns the soul’s questions toward learning, communication and discernment: understanding things clearly and explaining them well. With Saturn as the Atmakaraka, that understanding is earned through patience, discipline and lived experience. The 12th from the Karakamsha is Taurus, which the texts read for the native’s spiritual support.

Arudha Lagna

आरूढ़ लग्न

The Arudha Lagna is the image the world sees: the maya of the chart, distinct from the inner self the lagna shows. It is found from the lagna lord. Your lagna lord Mercury stands in the 12th in Leo, and the 12th counted from Mercury is Cancer, the 11th from your lagna, so no exception applies. Your Arudha Lagna is Cancer.

A Cancer Arudha gives a public image of care and emotional steadiness: people experience you as nurturing, protective and easy to trust, while the Virgo lagna keeps the inner machinery precise. Because the Arudha sits in the 11th house, that image forms through networks, elder contacts and counsel, the same 11th house where your Sun and Venus stand.

SAMPLE

Dhana Yoga: the wealth combination

धन योग

Your chart carries a classical Dhana Yoga: Venus, lord of the 2nd house of wealth, sits in the 11th house of gains. The lord of wealth placed in the house of gains is one of the textbook combinations for accumulation: income that grows through networks, counsel and steady relationships rather than windfalls. Its periods, especially Venus antardashas inside Venus mahadasha, are the windows when this yoga ripens most visibly.

Saturn in its own sign in the 6th adds the second half of the wealth story: freedom from debt and victory over competition. Money in this chart is kept, not just made.

One remedy for now

उपाय

With Saturn transiting over your natal Moon (Sade Sati peak), the classical prescription is humble and steady:

- Light a sesame oil lamp on Saturday evenings, and sit quietly for a few minutes after.
- Recite the Hanuman Chalisa on Tuesdays and Saturdays.
- Serve and respect elders; feed the hungry when you can. Saturn is pleased by humility, not by expense.

The full analysis includes remedies matched to every dasha and transit of your chart, with the classical reasoning behind each.
